

MEDIA ADVISORY **July 30, 2008**

**Saskatchewan Forage Council
Elects 2008-2009 Board of Directors**

The Saskatchewan Forage Council (SFC) is pleased to announce that the 2008-2009 Board of Directors and Executive have been elected following the Annual General Meeting on July 9, 2008 held at Herschel, Saskatchewan.

The following comprise the Executive of the SFC for 2008-2009:

Leam Craig	President	Producer	Biggar
Nancy Gray	Vice-President	Saskatchewan Forage Seed Development Commission	Watrous
Kevin Elmy	Past President	Producer	Saltcoats

In addition, the following members complete the SFC board for 2008-2009:

Dean Bollefer	Producer	Lake Lenore
Bruce Coulman	Plant Science Department Head	University of Saskatchewan
Gord Houston	Producer	Herschel
Alan Iwaasa	Research Scientist	AAFC - Swift Current
Clayton Myhre	Pickseed	Nipawin
Ron Nowoselski	Producer	Colonsay
Trevor Plews	Ducks Unlimited	Yorkton
Jeff Schoenau	Department of Soil Science	University of Saskatchewan
Charlotte Ward	Saskatchewan Ministry of Ag	Outlook
Michel Tremblay (<i>ex officio</i>)	Saskatchewan Ministry of Ag	Regina

The Saskatchewan Forage Council extends sincere thanks to Barry Marquette and Larry Vaagen as they leave the board following nine years of service with the SFC! Their contributions to the forage industry in Saskatchewan are appreciated. The Saskatchewan Forage Council welcomes Dean Bollefer and Gord Houston to the board of directors.

A full contact list of Saskatchewan Forage Council Board members is available at www.saskforage.ca. Forage producers and other industry stakeholders are encouraged to contact board members or the SFC office with their questions and concerns related to the forage industry.
