Saskatchewan Pasture Tour 2014

August 7, 2014

Yorkton/Touchwood Hills, SK

After 15 years, the Saskatchewan Pasture School will take on a new form. Jump on the bus for a one day, producer focused, in-the-field, pasture tour. Attendees will see forage research, demonstration projects and talk with producers who use an innovative approach to managing forages in their operations. Please register early as there is only room for 40 producers.
